The image shows the front cover of a book titled "1 - THE LIGHT IN TUSCANY" by "September 1987". The cover is white with a black border. The title is printed in a large, bold, serif font. Below the title, the author's name "September 1987" is written in a smaller, italicized serif font. The main text on the cover is in a serif font and reads: "We straggled from the coast towards the heart of the mountains now. It was early afternoon, the sun low. The landscape around us was deserted, the steep, closed Tuscany now turning down to rest in the autumn light, colored by the warmth and the gentleness of red wine we had with lunch, the central to ruggedness of the hills now showed the places where the ancient forests of the cathedral forest life of a million years ago." Below this text, there is a small black and white photograph of a person standing in a field. At the bottom of the cover, there is a small black and white photograph of a person standing in a field. The book is placed on a dark surface.
