PROLOGUE

*T*hough I often looked for you, I finally had to admit that there could be no cure for Paris. Part of it was the war. The world had ended once already and could again at any moment. The war had come and changed us by happening where everyone said it couldn't. No one knew how many had died, but when you heard the numbers—nine million or fourteen million—you thought, impossible. Paris was full of ghosts and the waiting wounded. Many came back to France or Oak Park, Illinois, shot through and carrying little pieces of
