

## Asheville Citizen-Times variations 9/7/2014

Plain font means no variation. Strikeout means coupon not present. Italics means coupon varies slightly compared to the saved amount, expiration date, product specifics or DND status indicated in the Sunday Preview listing for this week. *DND will be indicated when the text says "DND" or similar, and when the barcode starts with 9.*

A bad coupon week in Asheville – just one SS and one RP out of the total 4 that were predicted, and coupons in either insert.
