

Asheville Citizen-Times 3/29

Black means coupon is present as predicted in Preview. Blue means present but varies in face value, expiration date, DND, or not previewed as present here. Red means not present in this circular.

This week, Asheville got 5 circulars (one PG, two RP, two SS). Rearrangement of the coupons previewed as 4 circulars, over into 5 circulars, yields many coupons being listed below two times—once in red for “not present in” one circular, and again in blue for “present, but not previewed as present, in this circular. So this list is much longer than the preview list.
